

Welcome to Winter at Little Magpies.

We've celebrated Matariki in style and now we're in the thick of the coldest part of the year. What a good time to focus on ways that we can keep our tamariki active - even when the sun isn't shining outside.

We've got tips for burning off energy in Winter; an update on how we're keeping everyone moving at Little Magpies; an exclusive special offer for our Little Magpies families; and the latest news about what's happening in our Centre and Home-based teams.

We're also on the hunt for enthusiastic parents who might be interested in the opportunity to become Home-based Educators. Let us know if you might like to join our team.

Keeping active at the Omni Gym
 It's cold, it's raining, it's windy. The weather in Winter often makes it hard to get outdoors and burn off energy.

That's just one of the reasons why both our Centre and Home-based teams are loving the opportunity to take our children to play and have fun at the Omni Gym. We cover the costs so all you need to do is tell your children to have fun! Keep an eye on our Facebook page for lots of photos.

OUR LATEST ONLINE BLOG

Keeping Active in Winter
 It can be hard to find inspiration to get moving when the rain gets in your way. In our latest blog we've pulled together 10 great ideas to keep your little ones active in the winter months. Read our latest blog on our website.

We're planting for Spring

It may be cold now but the best growing season is just around the corner. We had so much fun taking some children from the Kiwi Room to Mitre 10 to buy plants and seeds. You can see they enjoyed exploring the new plants and choosing what to grow.

Planting is going to be an ongoing focus for the Gecko and Kiwi Rooms in the Centre over the next month. It's also an important part of the calendar for our Home-based teams. Keep an eye on our Facebook feed to see what we're planting and growing during August.

Special Offer

If your children are mud magnets, we have a great offer to help you get through the Winter months. We've collaborated with local business Mud Mates to offer you a 10% discount* on their range of coveralls and wet weather gear.

Visit the Mud Mates website and use special code **LITTLEMAGPIES** at checkout to get 10%* off your order.

*Terms and conditions: 10% off promotion valid storewide on any purchase (excluding value packs) made online at <https://www.mudmates.co.nz> before 21st August 2020 using special code LITTLEMAGPIES.
