

## Join our Team of Home Based Educarers

If you love spending time with children, then this could be the opportunity for you. Work from the comfort of your own home providing care and education for children in a nurturing environment while earning an income.

### **How do you become a Little Magpies Home Based Educarer?**

We are looking for educarers who are qualified to join our well-established team. Alternatively, if you are not qualified but keen to join a local, supportive company to help you gain the level 4 qualification we would love to hear from you.

We are looking for people who naturally put children first, make learning fun, and provide a caring and calm environment where children can relax and grow.

If you choose to apply, we will meet with you and talk to you about what comes next. Our recruitment process includes home visits and full police checks of every adult in your household. That is just one of the ways we ensure our children are always safe with our Educarers.

### **We'll give you the benefit of our experience**

We know that caring for children comes naturally to you, but we are also keen to share our expertise. When you join the Little Magpies team, you'll get access to our support network which will help you deliver the quality learning programme expected from Little Magpies.

Our Educarers form a community of their own and we like you to play an active role in it. Little Magpies Home Based Childcare includes access to playgroups, music groups and outings. We encourage you to buddy up with other Educarers and benefit from working and playing together.

### **We provide our Educarers:**

- Supportive Visiting Teachers
- Rich programme for the children
- FREE Little Magpies playgroups, music groups, outings in the community e.g Parks, walks, Art Deco, Omni Gym, yoga
- FREE or discounted professional development courses
- Discounted Aquarium passes
- FREE First Aid course
- FREE online resource for documenting children's learning
- FREE profile books for documenting children's learning and for children to revisit their learning.

### **Where to Next?**

Once you have made contact with us you will get a phone call, usually from Annie, organising a visit with herself and our Home Based Manager, Amanda. They will then be able to answer all your questions and explain to you in further detail about our programme and the benefits of joining Little Magpies Home Based.

### **We would love to hear from you if you think Little Magpies could suit you.**

Please feel welcome to ring, or drop a line to:

Annie Gower – Childcare Consultant phone: [06 877 5261](tel:068775261) or email: [annie@littlemagpies.co.nz](mailto:annie@littlemagpies.co.nz)
